

The 7th Annual StitchCraft Challenge!

Yes, it's that time of year again! Are you up for it?

Here's how it works...

Sign up and receive your Challenge Fabric* and an entry form.

Make something with your Challenge Fabric!

There is no theme this year, only a challenging fabric. Interpret it any way you'd like.

Add any other fabrics and/or materials, but we **must** see the Challenge Fabric featured in your finished project (so do not hide it in a purse lining or on a quilt back).

Return your challenge project along with this Entry Form to StitchCraft by September 2, 2017. Entries will be kept on display at StitchCraft through October 6. (Pick up your entry on October 7 or shortly after). Entrant's name must be on entry (e.g. quilt label) but covered for judging purposes (a scrap of fabric or painter's tape works well).

Entries will be judged and prizes will be awarded in each category. Categories will be Best in Show, Large Quilt, Small Quilt, Art Quilt, Bag or Wearable, Objet D'art, and Home Décor. A Viewer's Choice will be awarded on October 6. (StitchCraft reserves the right to change categories if we feel it is appropriate.)

For inspiration, visit our blog (www.stitchcraftboca.blogspot.com or link from www.stitchcraft.com) to see photos from past challenges. Questions? Call us at (561) 447-4147.

***Please take the Challenge Fabric only if you plan on participating and turning in a finished entry.**

Please note, by entering, you give permission to StitchCraft to photograph your project for use in our marketing efforts. We will take every precaution to protect and take care of your creation, but StitchCraft will not be held liable for any loss or damage of entries while in our possession.

2017 StitchCraft Challenge Entry Form

Name: _____
