#### Fabric Cutting

- |           |                          |
|-----------|--------------------------|
| A. Light  | Cut 2 4 7/8" squares     |
|           | Cut 1 2 1/2" x 10" strip |
| B. Medium | Cut 2 4 7/8" squares     |
| C. Print  | Cut 1 2 1/2" x 10" strip |

#### Block Assembly

1. Create 4 4 1/2" square triangles with light (A) and medium (B) 4 7/8" squares. With right sides together (1 light and 1 medium square) draw a diagonal line corner to corner and stitch 1/4" on each side of the line. Cut on drawn line and square block to 4 1/2" unfinished square.
2. Create 4 2 1/2" x 4 1/2" rectangles with light (A) and print (C) 2 1/2" x 10" strips. Sew strips right sides together and sub-cut into 4 2 1/2" x 4 1/2" rectangles. You will have 1 extra 2 1/2" print (C) square.
3. Lay out sewn blocks per the diagram below.
4. Sew each of the 3 separate horizontal rows and then join to complete the block.
