Block Assembly

1. Create Half square triangles: Right sides together – using Fabric A and Fabric B 2 7/8” squares – draw a diagonal line from one corner to the other; sew ¼ in on each side of the line; cut on the drawn line to create 2 ea 2 ½ half square triangle blocks.
2. Refer to diagram to sew the 3 rows of the center block. Sew each row together and then sew the 3 rows together.
3. Refer to diagram to create the border of the block.
4. Attach 2 Fabric C rectangles to the top and bottom of the center block
5. Attach Fabric B square to 2 Fabric C rectangles.
6. Attach all the components to create a 10 ½” square
