**Block Assembly**

We will be making 2 different block patterns to create the final block.  
Refer to diagrams for placement of each block.

1. Cut 'C' (6 7/8" square) corner to corner, to create 2 triangles 'D'.
2. Create the 1/2 square triangle blocks using 3 ea. 'B' 4" squares & 3 'A' 4" squares. Right sides together, draw a diagonal line (corner to corner); sew a scant 1/4 in line on either side of the drawn line; cut on the line; press to the dark side. Trim square to 3 1/2" 'E'.
3. Using the remaining 4" squares ('A'), cut each square (corner to corner) to create triangles 'F'.
4. Refer to Diagram G to create Block #1.
5. Refer to Diagram H to create Block #2.
6. Refer to photo for final placement of each block.
